Spelling Tic-Tac-Toe

This board includes many different activities to help your child practice his/her spelling words. Your child must choose at least three of the activities to complete for weekly homework. The activities must make a tic-tac-toe line: horizontal, vertical, or diagonal three in a row. Please mark your choices with crayon, marker, etc. Parents, you are encouraged to assist your child as needed to make homework a positive learning experience. This sheet should be turned in on Thursday. Have fun!

**NOTE: If flash cards or other items are created, these need to be attached with the other papers. All materials will be returned after they are checked.*

Write each spelling word. Next to each word, write two additional words of at least three letters that can be spelled using the letters in the word. Example: the word pickle can be used to make the words lick, pick, and like.	Find synonyms (words that mean the same thing) for your words.	Make a set of flashcards on index cards to study your words.
Find and cut letters from magazines or newspapers to spell 15 spelling words. Glue onto a sheet of paper.	Write each spelling word three times.	Write each spelling word in a rainbow of colors. First, write the words with a red crayon. Trace over the words with a blue crayon. Finally, trace the words again with a green crayon.
Write your words with all the letters scrambled up. Then ask a parent or sibling to unscramble the words. Correct that person's work.	Write each spelling word without its vowels. Replace each vowel with a line.	Have an adult give you a practice test at home. Be sure the test is checked and signed by an adult.
